

University of North Carolina
at Chapel Hill

GREEN ZONE

There are over 500 students at Carolina who identify as active duty, veteran, reservist, or National Guard members. These students are in every program and bring significant life experiences and diversity to the classrooms they are in.

Green Zone Training is for members of our Carolina community who wish to learn more about the military affiliated student experience.

Goals of our training are:

- To train members of the Carolina community to gain a basic understanding of the military lifestyle;
- To know more about the issues and concerns faced by military affiliated students and;
- To lend an empathetic ear and help the student veteran identify and connect with the appropriate resources.

For a list of training dates or to register for training, please visit:
<https://deanofstudents.unc.edu/GreenZoneTraining>

For further information, contact:

Amber Mathwig, Student Veterans Assistance Coordinator
(919) 966-4042, amathwig@email.unc.edu
